Headteacher: Mrs M.E. Murphy

19 March 2020

Dear Student,

As you are aware, St. Peter's announced yesterday that school needed to close for the rest of the week. Since then, you may have heard that the Government have decided that all schools will need to close for an undefined length of time and public examinations will no longer take place. We are surprised by this news and we appreciate this will cause concern and worry for many of you.

While there is a lack of clarity and detail from the Government, our position as a school is that students should continue to learn and study so you are as prepared as possible for the inevitable time when you will be assessed and your progress tested. Any coursework may still be used, so this must be completed as a priority. Staff will continue to send work as per the timetable and curriculum; you need to complete the set activities, notes and revision. Log on to the portal, follow the lessons set and use the student email system where needed.

We will keep in contact with you regularly and update you as soon as we know more. While Covid-19 is presenting challenging and uncertain times, when these times are over, we will support you to ensure that you continue towards your chosen pathway and are not disadvantaged in any way. You can help this by working hard and continuing to practise the skills required for each subject.

Should you have a problem logging onto to the portal, please see the school website which includes details of how to log on and how to use school email.

Yours sincerely,

M. Murphy  
Headteacher

ARCHDIOCESE OF BIRMINGHAM  
METROPOLITAN BOROUGH OF SOLIHULL
