Dear Parent,

I hope you and your family are keeping well during this very challenging time.

As you are aware, we have been communicating with your child through:

- The Portal
- School emails
- The Gateway

Our ICT Support team have been working on another platform called 'Microsoft Teams'. This allows the teacher to better provide an online learning environment. It allows for two way communication between the teacher and the class, the ability to both set and receive homework and provide feedback on completed work. It will also allow for a teacher to present a live lesson to a class and answer any questions students may have.

Your child will be able to see and hear their teacher but, for safeguarding purposes, the teacher will only be able to hear your child but not see them.

We are piloting the use of Microsoft Teams with your child's Computing teacher.

If you have any problems or concerns, please email the ICT Support team on [ICTSupport@st-peters.solihull.sch.uk](mailto:ICTSupport@st-peters.solihull.sch.uk).

Yours faithfully

Marie Murphy  
Headteacher
