Dear Parents and Carers,

As you will be aware, we have a number of support and teaching staff self-isolating in line with government guidance to reduce the spread of the Coronavirus. Unfortunately, this means that we will not have the capacity to complete all our remaining sixth form interviews before the Easter break as we would normally do. Therefore, I have made the decision to postpone all remaining interviews until the summer term, after the GCSE examination period.

I realise that this is time of anxiety anyway for Y11 students in the run up to their exams, so please be assured that all internal students who have completed an application for St. Peter's Catholic Sixth Form will be offered a place. This will be conditional upon them achieving the basic entry requirements and the required grades for the courses they have chosen.

When the interviews take place, there will be an opportunity to discuss pathways and finalise course choices. If your son or daughter has re-evaluated their choices since making their application, this will be an opportunity to discuss alternative pathways. If there are any urgent concerns, please address these to Mrs Crees or Mr Carr.

Thank you for your ongoing support during this uncertain time.

Yours faithfully,

Mrs Murphy  
Headteacher
