Dear Parent,

I hope you and your family are keeping as well as can be expected. It is with great sadness that as members of the Catholic community, we realise that Lent and Easter will be very different this year. In school, we were looking forward to a range of activities to mark preparations for Holy Week including special year group masses.

Pope Francis and Archbishop Bernard are encouraging us to enter into spiritual communion during these difficult times. Our world is certainly in need of prayers and healing. Here are some links that families might consider using in the coming days and weeks that have been put together by a member of the RE Department.

With the obligation to attend Sunday mass, temporarily suspended, technology does allow us to participate in this 'Spiritual Communion' from our homes. The following website facilitates the live streaming of Mass. Our Lady of Lourdes, Yardley Wood as well as St Ambrose Barlow are two local churches where mass can be viewed at various times.

We will continue to pray for the safety and wellbeing of all members of the St Peter's Community.

With best wishes on behalf of all at St Peter's
