Dear Parent/Carer,

Staff shortages have meant that I have had to make the difficult decision to close the school to Year 7 pupils next week. This was on the grounds that the ratio of staff to pupils was not adequate to ensure the health and safety of the whole community.

For those pupils who will be in school, staff will be working hard to minimise disruption. However, we will need the cooperation of all pupils to ensure the safety of the whole school community. Pupils must arrive on time, be fully equipped, wear a face covering in communal areas and listen and respond to instructions from all members of staff. Where possible, absent staff will deliver lessons by Microsoft Teams into the classroom.

Please rest assured we are following all advice from Public Health England and the local authority and we will keep you updated should any circumstances change.

Yours faithfully,

Mrs M E Murphy  
Headteacher
