Tuesday 20th October 2020

Dear Parents,

Year 13 Parents' Evening – Thursday 12th November 2020

On Thursday 12th November, we shall be holding a Year 13 Parents' Evening with online appointments available from 4pm until 7pm. To accommodate this, we are trialling a new system called School Cloud which will allow parents to book appointments online and then have a video consultation with one teacher from each subject. Please be aware that each meeting is scheduled for a maximum of 10 minutes, after which the system will automatically end the meeting. It would be useful if your son or daughter also attended the meeting.

To allow you to access the online booking system, and attend the consultations on the evening itself, you will need create a log on with School Cloud. Please see the attachment which provides guidance on how to do this. The deadline for booking appointments is 4pm on Wednesday 11th November. No appointments can be made or amended after this time.

If your son or daughter has more than one class teacher for a subject, they will need to find out which teacher they should book an appointment with. Appointments can only be made with one teacher per subject.

We hope that the technology works, and this system proves to be effective. Please find a link to a guide on how to access the video appointments [here](#). However, should there be a technical hitch on the evening, please be aware that the teachers will telephone you instead at the appointment time.

Yours faithfully,

Mrs M. E Murphy
Headteacher
